Table 1: Data Dictionary

Variable	Description
Gender	Gender of the student (male/female)
EthnicGroup	Ethnic group of the student (group A to E)
ParentEduc	Parent(s) education background (from some_highschool to master's degree)
LunchType	School lunch type (standard or free/reduced)
TestPrep	Test preparation course followed (completed or none)
ParentMaritalStatus	Parent(s) marital status (married/single/widowed/divorced)
PracticeSport	How often the student practices sport (never/sometimes/regularly)
IsFirstChild	If the child is the first child in the family (yes/no)
NrSiblings	Number of siblings the student has (0 to 7)
TransportMeans	Means of transport to school (schoolbus/private)
WklyStudyHours	Weekly self-study hours (less that 5 hours; between 5 and 10 hours; more
	than 10 hours)
MathScore	Math test score (0-100)
ReadingScore	Reading test score (0-100)
WritingScore	Writing test score (0-100)

Table 2: Summary Statistics for all Numeric Variables
